

***Age*, 9 December 1937, p. 19, Christmas Appeals ... Australian Aborigines' League**

Among the neediest of all people are the aborigines. Their particular need is clothes, for children as well as for adults; but toys, books and other things will be equally welcome. Arrangements have not been made for free transport on the rail, so freight should be pre-paid, and contributions addressed to Mr W. Cooper, hon. secretary, Australian Aborigines' League, Seddon railway station.
