

***The Age*, 3 December 1938, p. 32, Aborigines' Protest**

At a meeting of the Australian Aborigines' League a resolution was carried protesting against "the cruel persecution of the Jewish people by the Nazi Government of Germany, and asking that the persecution be brought to an end". A deputation of aborigines will wait on the German consul on Tuesday at 11.30 a.m., to present the resolution and ask him to convey it to his Government.
