

***Herald* (Melbourne), 9 February 1939, p. 1, Yarra Bank Meeting on Aborigines**

The Australian Aborigines' League will hold a Yarra Bank meeting at 3 p.m. on Sunday, when speakers will discuss conditions, which they claim are "deplorable", at a native settlement at Antwerp, Victoria.

Members of the league consider that educated natives should have full rights of citizenship and a representative in-Parliament. The Leader of the State Parliamentary Labor Party (Mr Cain) and Senator Keane will be among the speakers.
