

William Cooper to the Prime Minister, Joseph Lyons, 25 July 1934, National Archives of Australia, A461, A 300/1, Part 2

In view of the approaching Federal Election, I am writing to ask for your views concerning the representation of my people in Parliament. If returned to Parliament will you do your best to further the cause. The Maories of N.Z. have had Parliament representation since 1867. These for the Parliamentary representation of the Aborigines of Australia is long over due.
