

**William Cooper, Honorary Secretary, A.A.L., to the Minister for the Interior,
Thomas Paterson, 20 May 1935, National Archives of Australia, A1 1935/3951**

I have been authorised by members of the A. A. L. to write and ask if it is possible to get a definite reply at an early date to our request which we asked for on the 23/1/35, as we are anxiously awaiting to continue our earnest requests for justice.

Trusting our pleading will receive sympathetic and helpful consideration from the government.
