

William Cooper, Honorary Secretary, Australian Aborigines' League, to the Minister for the Interior, Thomas Paterson, 11 September 1936, National Archives of Australia, A659, 42/1/8104

Further to my previous correspondence in respect of the Premiers' Conference in Adelaide, from which the aboriginal population has been expecting so much.

I have watched the Press reports of the conference but did not learn anything of what, to us, was the paramount matter. I would be glad to know the result as concerns Aboriginal administration. Was the matter discussed? With what result?

Thanking you.
